

04 November 2022

Letter of Appreciation

For contribution to the Pilot of “Skilled Bharat Movement”, a joint program of Ministry of Youth Affairs and Sports (MoYAS) and UNICEF (YuWaah)

Dear Gopal Dutta,

We would like to express our gratitude and appreciation for your contribution to the Pilot of the “Skilled Bharat Movement” - a joint program of the Ministry of Youth Affairs and Sports (MoYAS), Government of India, and UNICEF (YuWaah).

MoYAS and UNICEF are jointly working on the “Skilled Bharat Movement” program to upskill youth in the country who are part of the NSS and NYKS networks. MoYAS and UNICEF have set up this program to upskill youth with Digital Productivity Skills through a 10-hour online self-paced learning course. Select youth will also be connected to employment and social impact opportunities.

Your contribution in sharing feedback on the Anchor Courses and improving learner experience during the pilot phase from 27 October – 2 November 2022 has helped create a more robust and substantial program for the nationwide rollout of the “Skilled Bharat Movement” for all NSS and NYKS youth to empower them with relevant skills to thrive in the 21st century.

Thank you again for your contribution to the “Skilled Bharat Movement”.

Sincerely,

Ms. Dhuwarakha Sriram

Chief of Generation Unlimited (YuWaah) and Youth Development & Partnerships

UNICEF India
